Dear Sirs,

We would like to register our strong concerns about the planning proposals for housing along the A65, particularly in the Rawdon/Yeadon areas.

These areas already struggle with the traffic and schooling situation and we believe that not enough consideration has been given to this.

We would like to be reassured that no development will take place along the A65 between Horsforth and Guiseley until the infrastructure has been put in place to answer these serious concerns.

Yours sincerely,

Michael and Eleanor Shorto.
