Dear Sir/Madam,

I attach to this email the representation from CPRE West Yorkshire. I have attached it both Word and pdf formats: the content of the two files should be identical.

Please address further communications about the Plan, including the Public Examination, to me at the address below:

Andrew Wood
Planning Officer
CPRE West Yorkshire

Sheffield S10 1LJ

CPRE West Yorkshire requests an opportunity to make written and oral statements to the Public Examination of the DPD, in order to refine our evidence in the light of additional information emerging between now and the Examination, including representations made by other parties.

I would like to be informed at each subsequent stage of the process.

I would be grateful if you could acknowledge that you have received this email and that our representation has been registered.

Kind regards,

Andrew Wood.
