---

Dear Planning Department

I should like to add my voice to those who have already objected to planning permission being given for the paddock on Green Lane at Meanwood.

Green Lane is already a busy through route from the main Stonegate Road to the park, and at certain times of the day, is already a potential accident site. Since Waitrose was opened, the volume of traffic has increased exponentially and if another 25 houses are built, this will clearly further increase traffic, and prove a danger to pedestrians as well as motorists.

After all the warnings you have received from local residents, I would advise you to prepare for serious injury compensation claims if this development goes ahead. This is not what I would wish my council tax to be spent on. Please decline this application.

Yours faithfully

Lynne Staveley
