I am writing to voice my objections against the building of more housing in an already struggling community.

Mrs Britton
30 Mawcroft Close
Rawdon

We live adjacent to the proposed development site and are writing to ask that Leeds City Council refuse this planning application. HG2-10 GILL LANE RAWDON
Herein are our comments and objections relating to this planning application:

Conservation grounds
Merging of communities
Health services, doctors, dentists, already to full capacity
Schools, already to full capacity.
Traffic problems, roads always bumper to bumper no matter what time of day.

Parking and traffic will cause noise, pollution and dust at all times of the day and night. A65 is already a busy and congested road; this additional concentration of traffic and roadside parking will cause traffic problems and create a safety hazard for other motorists.

We invite you to visit the area to verify that these objections are valid.
Therefore, we ask that Leeds City Council refuse this Planning Application.

Yours Sincerely,

LINDSAY BRITTON
