Re Site ref: HG2-5 (1180A_1311A_2163A)and
Site ref: H62-6 (1113)

The site allocations plan is unsound because the council has not carried out a genuinely comprehensive Green Belt review.

I heartily object to the plans to build more houses in this area.

Guiseley already has traffic congestion problems and more houses would mean even more traffic.

The development of these sites would also affect the wild life in this area.
