Re site HG2-5 and HG2-6 coach road and silverdale avenue.

The site allocation plan is unsound because the council has not carried out a genuinely comprehensive green belt review.

As a local resident and lover of the area, the green belt of Guiseley should be preserved for generations to come in the area.

The proposal seems ridiculous, over ambitious and unsuitable - especially for the sites I've listed above. Location is everything in property, and this a not only a poor choice, but feel very much like land-grabbing behind our backs.
