[Site allocations Nov 15.pdf](#)

---

Please find the attached document, 'Site allocations Nov 15', which constitutes my submission to the public consultation. I have attached it in PDF and in Word, to facilitate your response. Please note that I would like to speak at the Public Enquiry.

I am also going to send you two important documents relating to the Wharfedale Greenway, the route of which needs to be identified in the Site Allocations Plan. I shall send these with another email as they are rather large.

Joanna Rowling
