Sir,

I am opposed to the development of the green belt sites listed below.
As a resident of Guiseley for almost 50 years I have seen many changes.

The A65 to Leeds was not built to take the amount of traffic currently using it.
Our trains are crowded. Guiseley is almost at gridlock at the weekend yet there
are proposals to build even more houses.
We do not have the infrastructure to cope with such increases in population and
vehicles.

Sites HG2-5 coach road. HG 2-6 coach road /Silverdale allotments
