Dear K D F Publications Draft Consultations

At one time families were living
near each other, able to help when necessary
Now, it's a car or taxi, door to door. An airport
bus every ten minutes. The young - the city
dining - wine bars. The elderly selling their
homes for residential care.

So, I'm sure that these homes will be
built. Site HG2-41-777 homes. Site HG2-43206 homes
creating a lot of jobs for our young people.
Let's hope that care is taken for our children elderly
and not forgetting the cyclist - that we all
have some space to breathe.
