Dear Sirs

**SITE ALLOCATION CONSULTATION
SITE NUMBERS 2-12 2-41, 2-42 & 2-43**

I have studied the Council's proposals and consider the use of Green Belt wrong and not consistent with national policy. I am concerned about the immediate effect on the rural area and worried that the future use of Green Belt will spread further.

I do not believe that the proposals will be effective, particularly because of the effect on already heavily congested traffic. This will get worse in any event when the proposals to change the road structure to the airport are implemented.

I also believe that the plans are not justified because of any excessive use of Green Belt as opposed to the use of alternative sites.

Yours faithfully

JOHN CLEMMENCE
