Stop Green Belt Development

How can you put forward these mass, horrendous plans for yet more housing in Horsforth, Rawdon and surrounding areas? The A65 is already at gridlock and the massive alterations made post the Clariant estate will make no difference at all. We have all had enough, what do you hope to achieve? A vast area deprived of wildlife, full to overflowing with housing, traffic and people? I sincerely believe it's all about making money for a small amount of greedy people and nothing else. Enough is enough please stop now whilst we all have a reasonable quality of life left. Green Belt is sacred and the remaining unspoilt areas are few and far between, leave well alone! Nobody but land developers want these houses built, they will cause chaos.

Yours very sincerely

June & Philip Bradbury
