Dear Sirs,

SITE REFERENCE: HG2-76 (1060A_3377A)HOUGH SIDE ROAD - PUDSEY.

We strongly object to the proposed development at the Green Belt at Hough Side Road, Pudsey.

Some of this site has been agricultural land for at least 50 years as well as having a Farm Shop and Nursery for over 20 years.

It is adjacent to the Conservation Area of Post Hill and to virtually surround this landmark of special interest with a large Housing Estate would take away this vital and attractive area which is a little piece of countryside virtually in the City of Leeds, and should be retained for future generations to enjoy.

Pudsey has been saturated in the last few years with so many housing developments and the area is becoming unsustainable with issues such as traffic, schools, doctors and dentists.

There are numerous alternatives to provide housing such as empty, and sometimes almost derelict houses and offices and other buildings, which could be utilised and some are in the centre of Leeds e.g. Wellington Street, before Green Belt sites are considered and taken away for ever.

Yours sincerely,

MR. G. HARRISON.

MRS. E. HARRISON
