Dear Sir,

HG2-41 (4240)

I am responding to the Leeds Site Allocation Plans.

Why do we need to build on green Belt? There will be traffic bottlenecks and a lot of wildlife habitats will be destroyed.

When my children were young we enjoyed walks in the countryside. It would be a shame for future generations to lose out on having such healthy exercise & fun.

Lots of houses have been built & are planned locally. Enough is enough.

Yours faithfully,
