Dear Sir or madam,

I am writing to tell you how much I protest at your plans to build on Green Belt land in and around Horsforth. Particularly, HG2-41 Fields South of A65, Horsforth roundabout to the Crematorium.

HG2-42 Fields at Broadway and Calverley Lane, Horsforth.

HG2-43 Fields at Horsforth College Campus

HG2-12 Fields at Woodlands Drive, Rawdon.

HG3-2, HG3-3, & HG3-4 Fields off A65, Rawdon.

I don't understand how you can include these in your local development plans when National

2

policy is again'st building on Green Belt areas.

It is very worrying that local amenities and roads which are already overstretched will cope. Its alright building houses but people also need schools and doctors etc and places to enjoy their leisure time. Some of which are favourite walking sites for my friends and family, It would be also devastating for the local wildlife their habitat gone forever. We see foxes and deer.

Parts of our Green Belt have disappeared over the years and I don't believe to lose anymore would benefit anyone.

yours truly
