MR & MRS DA CLAYTON
2, COLPICE WOOD CLOSE
GUISELEY LS20 9JR.

Dear Sirs:

I am writing this letter to voice my objection to the proposed building of more houses on the fields adjacent to our street. More houses, more traffic more drug takers as if Guiseley and our surrounding area is short of both. Queensway sees very heavy traffic at all times and the surrounding A65 road is grid locked most of the time. I have lived in my property for 46 years and have seen the area deteriorate, too many vehicles on roads and especially living within touching distance of a school every child seems to go to school in a vehicle. We have grassed verges outside of our property and upkeep them throughout the year i.e. keep cars off them but I feel more traffic more school places more cars looking to park.

Not a good idea I don't think and will be joining the protest groups.

Yours Sincerely
