Dear Sirs,

I would like to object in the strongest possible terms to the following developments which you propose to build on greenbelt land.

HG2-41 fields South of A65, Horsforth Roundabout to the crematorium

HG2-42 Fields at Broadway and Calverley Lane Horsforth

HG2-43 Fields at Horsforth College Campus

HG3-2, HG3-4 Fields off A65 Rawdon

This is all greenbelt land and is not consistent with national policy which should enable the delivery of sustainable development in accordance with the policies in the Framework. Sustainable means ensuring that better lives for ourselves don't mean worse lives for future generations.

I sincerely believe that Leeds City Council is planning to build without thought of future generations just to meet your targets.

I also believe that the consultation process has been sadly lacking.

If this goes ahead Horsforth, Rawdon, etc will just become an urban sprawl and I would ask you to please rethink these developments.

Yours sincerely

Wendy Foley
