Dear Sir / Madam

I am writing to object most strongly to the proposed plans to build 155 houses on A65 / Gill Lane Greenbelt Fields. ALREADY from the (already) volume of traffic on that stretch of road, your plans will just add more traffic, (Ridiculous); you have given no thought at all to the needs of the local people. Doctors at Breckingham, dentist practices, are like gold dust, Parents wanting their children to go to local schools your new houses will bring families all wanting a G.P., Dentist and schools in that area, (we are already congested) we DON'T WANT OR NEED ANY MORE HOUSES, I think you need to think about this again, and put local people before PROFIT.

(EVERYTHING)

Sincerely
