To Whom it may concern,

ADH00154

I am deeply concerned about the proposed housing development between Will Gill & Shaw Lane Gardens, Guiseley.
(Site No. 3029)

I have lived in Guiseley all my life.
53 yrs in this bungalow. I am
84 yrs old Widow, no car now,
roads are too busy.

I have great difficulty trying to cross
the road where I live to get to the
bus stop at the Recreation Ground
near junction of Ruskin Crescent
because of heavy traffic both ways.
a Zebra crossing here is essential.

This is traffic avoiding all the
Traffic Lights from White Cross
to Ghyllroyd on the A65.

We are already overpopulated
in Guiseley the Schools &
Surgeries are already ^{OVERSTRETCHED} ~~overpopulated~~

1/20
There are lots of other places
to build around the Leeds area.
I hope you will listen to the
local residents & withdraw
your plans.

Yours sincerely
