* Harfath when I was first made
52 1/2 yrs ago was beautiful, a Village
in its own right, Town full of
lovely little shops what Leeds we got
knew nothing, to build on these green
belt areas will be a catastrophe
traffic into Harfath; not enough
schools to accommodate all the people
& their children, I feel that Harfath

will end up being and looking like
a big innercity sprawling state, instead
of a nice place to live in.

Leave Hartford alone.

Mr. E. Harnier.

The Harnier Family go back over
100 yrs living here.
