Dear Sir,

THIS IS AN APPEAL BY MILLER HOMES AGAINST A DECISION BY CITY PLANS PANEL TO REFUSE THIS APPLICATION ON THE GROUNDS THAT IT WAS RE-MATURE AND CONTARY TO POLICY N34 OF THE LEEDS UNITARY DEVELOPMENT PLAN REVIEW .

WE HAVE NOT YET SEEN THE REASONS GIVEN FOR THE APPEAL BY MILLER HOMES .

WE DRAW THE INSPECTOR. TO THE DOCUMENT(PAS SITE-PLANNING APPLICATION 13/005134/OT) AND WE RELY ON THE GROUNDS SET OUT IN THIS DOCUMENT AS STILL RELEVANT AND VALID , AND WE USE THIS DOCUMENT AS THE BASIS OF OUR OBJECTION TO THIS DEVELOPMENT.

IF THIS APPLICATION IS GRANTED, THIS WOULD BE A MAJOR ASSAULT ON GREEN FIELD SITES AND THE GREEN BELT. BY ITS SHEER SCALE IT CAN ONLY BE DESCRIBED AS "BRAMHOPE NEW TOWN"

OUTER NORTH WEST HAS ACCEPTED SUSTAINED HOUSING DEVELOPMENT OVER THE LAST FEW YEARS. THE A66 ROAD IS THE MAIN ROAD TO LEEDS , AND IS ALREADY VERY NEAR TO COMING TO A TRAFFIC STANDSTILL , EVEN A BUS FROM BRAMHOPE FROM 7AM TO 9.30AM TAKES 43 MINUTES TO THE CITY CENTRE AND THIS IS WITH THE BENEFIT OF BUS LANES.

THIS IS AN APPLICATION TO FAR. WE CANNOT GO ON LIKE THIS, WE OBJECT .

YOURS FAITHFULLY,

MR & MRS C GRIMSHAW
