Why do you think this site is unsound/~~sound~~ (delete as appropriate)

I object on the following grounds:

1. The roads are unable to cope with an increase in housing and the resulting increased traffic.
2. Local schools do not have the capacity to cope with the increase in demand that would occur and are already oversubscribed.
3. Garforth has already lost lots of green space due to housing development and should not lose more especially when there are other brownfield sites in other areas in the East.
4. Facilities in Garforth would be overstretched and unable to cope with increased demand.
5. Extra pressure on services will exacerbate problems eg flooding, parking etc.
6. Such an increase in housing after already increased housing on Garforth Cliff etc is destroying the community in Garforth by overpopulating the "town".

What is your alternative? other brownfield sites in outer East Leeds locations elsewhere which are more appropriate.
