PROPOSED HOUSING ON FIELDS AT SHAWLANE, COPPICE WOOD
CRESCENT AND BANKSFIELD, YEADDON

Dear Sir / Madam

We wish to express our concerns about proposals to build on above stated land.

Traffic in this area has grown considerably in the last 10 years until it is hardly sustainable. 2 weeks ago it took me 1 hour 40 mins to reach the Clarendon wing of the LG1 due to the huge volume of traffic between 7.30 and 9am on the A65. In addition the minor roads around these proposed sites are extremely busy at peak times, Queensway particularly.

The airport expansion has gone ahead even though plans to have a better infrastructure have not.

Yeaddon and Griseley have already had a fair share of new builds. Roads and rail cannot cope well as it is. We do not wish to add to the already overstretched infrastructure. We do not need further housing in this area.

Yours faithfully

ROSALIND BRADLEY
