Dear Sir or Madam

I am writing to let you know how I and a lot of other people in Yeadon and Rawdon feel about building houses on our Greenbelt when it was only 2 years ago the government made it unlawful.

It has come to my knowledge that brownfields are being shunned in favour of Greenbelt approval where is the sense in that.

Also if the government want to build 600,000 new homes if you divide that among the relevant councils Leeds only need around 46,000 so where is 70,000 coming from.

We live at the top of
Opportunity Lane near the J.C.T. roundabout
and the traffic is already horrendous,
especially with all the new housing
already been built in Weston by the
Bradford council, all the traffic comes
this way to get onto Leeds. The plots
I am referring to are.

HG 2-10 NEW ROAD SIDE YEA-

HG 2-12 WOODLAND DRIVE RAW.

HG 2-41 HORSEFORTH

STRAWBERRY FIELDS.

MUCH OBLIGED
