**Subject – Objection and opposition to proposed housing development on GREENBELT LAND.**

**SITE HG2-43**

**This site is in GREENBELT and classified as a nature reserve.**

**SITE HG2-42**

**This site is in GEENBELT and is currently utilized as a smallholding home to chickens and ducks.**

**SITE HG2-41**

**My children and grandchildren have in the summer “picked strawberries” and other fruit in these fields. It is a wonderful elevated area of typical English countryside  
There are also many large and magnificent trees on this site which would have to be removed. Once again ALL traffic movement would have to be onto the A65. Leeds City Council are obsessed with building more and more houses alongside the A65 now one of the most congested roads in and out of Leeds.**

**HG2-44 Access A65**

**HG2-45 Access A65**

**HG2-46 Access A65**

**Kirkstall Forge Access A65**

**Even more sites beyond HG2-41 spilling their traffic onto the A65. The A65 from Leeds centre to Menston is a disgrace and any further development especially utilising GREENBELT LAND should be HALTED.**
