I am very worried and upset about the proposal to build on Green Belt land near my home.

I've always felt that coming home from Leeds, once I've reached the Horsforth road about, it's a different world - green, peaceful and restful, although recently the traffic has been very heavy, no doubt it would double if extra houses were built.

As a child I spent many happy days playing with friends in Bragg Wood as did my children

and grandchildren. All that
beautiful area is, according to some
plans, due to be destroyed, especially
HQ2-12 HQ3-2 HQ3-3 HQ3-4

Including these Green Belt
sites in the local plan is NOT
National policy - what's wrong
with using brownfield??

I am old now and have
lived all my life in this peaceful
and lovely area - I hate to think
it is all going to be ruined by
City Sprawl. There will be no
difference coming home from Leeds any
more - it will be all one built
up area - once it's gone - it's gone!
