To Whomever It May Concern

Re: H92-12 Fields at Woodlands Drive, Rawdon  
 H93-2, H93-3, H93-4 Fields off A65 Rawdon  
 H92-41 Fields south of A65, Horsforth Roundabout  
 to the Crematorium  
 H92-43 Fields at Horsforth College Campus

I am very concerned about proposals to build on the above sites in this area.

The infrastructure cannot cope with the volume of traffic now and we have not yet felt the full effects of the development underway on the Clariant site.

Green belt should not be used until all Brownfield sites across the whole of Leeds have been developed.

Look at the Naylor Jennings site in

Green Lane, Yeadox<sup>it</sup> is in a disgraceful state with a huge sign 'Danger of death' displayed at the front of the buildings. This should never have been allowed to happen!

When travelling on the A65 along Kirkstall Road there are several public houses and apartments boarded up and in an dreadful state. There is the swimming pool and the site of Yorkshire Post Newspapers in the centre of Leeds.

I am sure there are many more of these sites over the Leeds area.

Clarendon and Horsforth just cannot take any further housing developments.

Yours faithfully

(MRS H. COURT)
