Dear Mrs Giff

I am replying to the Leeds like  
 location plans with reference to  
 site H92-41 (H240) which is  
 completely unsuitable for housing in  
 my view for following reasons  
 Access onto site A65 & Ring Road is  
 totally unsuitable - already grossly  
 overused.

Schools, Dental Docks already  
 established  
 Houses already being built & more  
 planned at Horsforth Vale & Riverside Mill  
 This is Green Belt land contravening  
 the National Planning Policy Framework.

Yours faithfully  
 (Mrs)
