Further to my attendance regarding
 Dags Fields I wish to disagree with
 the site being used for further
 housing. I feel I made a big
 mistake when I moved to this
 area of Quiseley for retirement,
 there were green fields & lovely
 walks in this area, but now
 that is all quickly going, too many
 areas to mention. Roads are congested
 and it is now difficult to drive
 from White to Quiseley. Caus
 park at both sides of the A65 from
 Quiseley to White & narrowing the
 road, which takes many heavy
 lorries & buses. To exit from Dags Lane
 is always very difficult when
 turning right, & New Birk Farm will
 increase that still further. Dags
 lane is only narrow with humps
 & bends. I do not think New Birk
 Farm is viable for more house
 building in the area and wholly
disagree with Dags Fields being
 built on.
