Sir

I can see no benefit of the Proposed expansion of Garforth. The Schools, Doctors, Dentist, etc are already full & can take no more people. There is nowhere to park at all around Garforth Main Street.

All roads from Garforth into the Leeds area are already jammed solid at other end of the day.

I have lived & brought a family up for 45 years ~~in~~ in Garforth & have not spoken with anyone in favour of this Development, except for Mr Ellis Mahu! Does he have a vested interest?

Yours
