9th November 2015

As a Horsforth resident, and have been  
for the last 73 years, I feel the need  
to contest the planning applications  
now being discussed. Particularly the  
sites

HG-2-41  
" 42  
" 43  
12

HG-3-2, HG-3-3, HG-4

Anyone from the planning offices taking  
time to check the roads around the  
sites listed will see just how congested  
traffic is even now.

Horsforth WAS a lovely place to live  
when I was a child. I feel terribly  
sad as to the way people in high  
places want to ruin the area.

I fear for my grandchildren regarding  
schools etc,  
Yours faithfully
