Why do you think this site is unsound/sound (delete as appropriate)

Garforth is already under stress from the influx of accommodation.

Traffic has become intolerable in the last 20 years.

The infrastructure is not being updated and replaced.

This is a valuable green belt.

If it had to go ahead it should be much smaller & only houses that were much cheaper, that young marrieds could afford. "Affordable" housing is a misnomer.

What is your alternative? See above
