College Campus.

"NO TO BUILDING ON GREEN BELT LAND."

I thought building on Green Belt sites
was not consistent with the National Policy.
It even goes against "Leeds Core Strategy."

Rowdon is an historic, Green Belted,
healthy place, so many Green Fields and
places to walk and exercise safely.
I am particularly concerned about losing
all our open places.

I think you would be very wrong to use
this land, instead of using Brownfield Sites.
You should take a look and not spend
another decent place.

"DO NOT BUILD HERE"
