Let Sandy and the team know your views

Councillor Sandy Lay and the Otley Lib Dem team are keen to make sure local people's views are heard on the proposals. If you have any comments on the plans, use the space below and return the form below:

I do feel OTLEY needs more affordable housing for the over 55s. It is difficult for single people looking to 'downsize' to find suitable properties because they are not available. If the WESTGATE site is to be developed this would be ideally situated. Smaller properties i.e. apartments, houses, and sheltered accommodation which is affordable is all required. Other towns are succeeding in providing this eg ILKLEY. Please, the time has come for OTLEY to think about its older people and do something positive to help them.
