Councillor Sandy Lay and the Yeadon Lib Dem team are keen to make sure local people's views are heard on the proposals. If you have any comments on the plans, use the space below and return the form below:

Site 1255B. The local Road Network is totally unsuitable. Schools over subscribed, Doctors unable to provide a adequate service at present, the area is a haven for wildlife eg Deer, foxes, Squirrels, Red kites, Herons and a whole abundance of birds of all species. The site is crossed by a well used footpath and Bridle way and is adjacent to local Beauty spots such as Deypter woods and Calthole woods. Previous Application for Planning permission was rejected in 1993 for all the above reasons. These reasons still apply, but are even more acute today for these reasons the site should at all costs be returned as green fields.
