

Let Sandy and the team

PDH 00696

Councillor Sandy Lay and the Yeadon Lib Dem team are keen to make sure local people's views are heard on the proposals. If you have any comments on the plans, use the space below and return the form below:

I am generally against using Greenfield sites.
The 234 houses off Shaw Lane and Banks Field would be in a bad position. They would be on or near the flight path of planes so suffer noise and emissions from them. Also access to the site would be via roads through housing estates with cars parked at both sides of the roads. Then to get anywhere the new residents would have to go through already congested junctions. This will lead to driver frustration, accidents and increased air pollution.
