

Let Sandy and the team hear your views

PDM00697

Councillor Sandy Lay and the Yeadon Lib Dem team are keen to make sure local people's views are heard on the proposals. If you have any comments on the plans, use the space below and return the form below:

It is easy to down proposals for new housing especially when those houses are going to be built close to your own. The amount of extra traffic (cars/vans etc) will mean getting about in the area will be slower waiting to get into the queue of traffic in all directions. Frustration, missed appointments, anger at delays. There has to be more housing for the increasing population but brownfield sites must be used first as they are already
