

Let Sandy and the team know your views

PDH00698

Councillor Sandy Lay and the Yeadon Lib Dem team are keen to make sure local people's views are heard on the proposals. If you have any comments on the plans, use the space below and return the form below:

Victoria Avenue 102 Houses - madness

Traffic implications - sort the roads out ~~first~~, queuing all along this road to lights at crossroads Too close to Runway.

Boggy field - which supports wild life - ie. deer. more

Traffic lights to exit onto a Trunk road? NO Green Field sites are not needed - once lost - - - - Brown field is the way to go, however costly, if indeed this is the case. A New Road to the North of airport would relieve pressure on ~~the~~ Victoria Avenue.

No more building on Green field sites
