Dear Sir

Re: Site Allocations Plan (Ref HG3 – 13 Land to the East of Scholes)

I would like to take this opportunity to comment on the Site Allocations Plan, which includes the Land to the East of Scholes. Currently this land is PAS land and I feel that this should remain as PAS land for the foreseeable future.

My reasons for this are that if building of 800+ dwellings were permitted onto this site, the existing village of Scholes would be heavily impacted, and not for good reasons. The entire infrastructure for the existing village and the new dwellings would need to be re-thought.

My own personal experience of driving through our village and trying to exit at either end currently, without any extra dwellings, is already at 'breaking' point, due to all the 'infill'. A further 800+ dwellings will prove impossible to cope with.

PLEASE LEAVE THE LAND TO THE EAST OF SCHOLES AS PAS LAND, THE INFRASTRUCTURE CANNOT TAKE ANY MORE DWELLINGS IN THIS AREA. (Ref HG3 – 13).

Yours faithfully

Mrs R Plum
