

72400742

16, Silverdale Ave
Guiseley,
LS20 8B D

In regards to the idea of ^{8/11/15}
building more houses or maybe
a school on Hq2-6 sight
on Silverdale Avenue Guiseley
I do strongly object

1) Because

There is only one way in
and out, creating far too
much traffic already because
of all the houses that are
already built on this Avenue,
Road, Drive, etc etc.

2) This one entrance & exit
leads out in to Park Rd,
a very busy road!

3) An accident waiting to
happen situation, for anyone
entering or leaving the Ave.
There are many families

2/ With young children & also the elderly who can find it very difficult just to cross the road to go to the shops

3/ Not enough Doctors & Dentists to cope with the present amount of patients in this area.

5/ All the material needed to build the houses & ~~roads~~ roads etc & all the workers would all have to use our Avenue to make it possible.

No thank you, think again and say No

Yours Truly.
