Dear Leeds City Council,

**RE: Objection to the proposed allocation of the Haightside site, ref: HG2-173**

We do not support the proposed allocation of the Haightside site Ref as above.

Developments of the Haightside would reduce the important greenbelt gap between the settlements of Rothwell & Robin Hood.

Rothwell over the last few years has seen houses being built on every scrap of land available which has been the increase of traffic along with the pollution & traffic chaos bringing dangers to our children etc. If this Plan proceeds there will be the children play etc
