Why do you think this site is unsound/sound (delete as appropriate)

We are very concerned that Garforth's housing allocation is 83% in comparison to the 5% or less of the other areas mentioned (why is this so?) Garforth will lose greenbelt land. How will this extra influx of people affect our present services ie: public transport, medical, education, transport congestion mainly in Main Street, policing. At the moment we have a part time fire service. A full time service would be essential. Finally, the residents of Garforth feel we are losing our heritage.
