This development next to
the A63 will increase the traffic
and will cause an urban sprawl
between Rawdon Brampton
and has forced Roundabout
making Rawdon village
community lose its own identity
which I do not want to happen
concentrating on more development

on the A65 is unsustainable and
elongates but not local area.

Rather than a good local connection
three times its new week of local
years have provided me with a
lifetime of recreation to
appreciate the good land, plants
and animal life all of which
give me such pleasure which
I would miss.

The infrastructure of this
area has not been taken into
account as either local schools
are over subscribed and the
doctors and dentists are working
at full capacity.

Using Southlands Avenue as
the site for houses built in 192-12
and up Knatt Lane will make a
bottle neck at the junction of
