Objecting to the allocation of this site for housing () Objecting that this site cannot be delivered ()

Why do you think this site is unsound/~~sound~~ (delete as appropriate)

1. Possible overload of roads by increased traffic. "Traffic congestion now occurs at all entrance + exit routes during rush hour" Garforth Neighbourhood Forum website.
2. Flooding in recent years. What guarantees can be given that drains + culverts will cope with increased loading? (Garforth Flood Support Group raised concerns in 2014.)
3. Building houses on agricultural land means that there will be more people to feed, but less land on which to grow food to feed them with.
4. Loss of open fields means loss of wildlife habitats, with consequent disruption to the food chain.

What is your alternative? **Find a brownfield site for the houses**
