RE: Objection to the proposed allocation of the Haightside site, ref: HG2-173

Most people, myself among them, realise many more houses are needed. My main concern is the amount of traffic which would result if this plan were to be accepted.

Wood Lane already carries a very heavy amount of traffic, many heavy commercial vehicles & speeding private cars.

It would appear there is another area of land, which the owner is willing to sell, together with a plan which includes provision of a Primary School, also a much needed facility in the area.

I sincerely hope the Planning Committee will consider the effect on Rothwell & its residents.

Yours sincerely
