Dear Leeds City Council,

RE: Objection to the proposed allocation of the Haighside site, ref: HG2-173

I do not support the proposed development of the Haighside site, ref: HG2-173, and I believe its inclusion in the site allocations plan renders the plan unsound, on the basis of the following: -

- Site affected by electricity pylons & water courses which would provide ecological constraints, may impact number of dwellings.
- Development of above site would reduce important green belt, dividing Rothwell & Robin Hood currently. Would also have an unacceptable impact on existing community, in relation to access.
- The infrastructure in Rothwell is not sufficient now, doctors surgeries, schools, leisure facilities are over subscribed and difficult to access plus the local highway network, which is at its max now. Land should be allocated where it will best deliver housing & the required infrastructure, with the least environmental impact.

Name:

Address: 71 Castle Lodge Avenue, Rothwell, Leeds, LS26 0ZD.
