COPPICEWOOD CRESENT/BANKSFIELD MOUNT

Dear Sir

I would like to object most strongly to the proposed building of 234 houses on green belt land on fields next to bankshield / coppicewood crescent in yeadon. Yeadon and Guiseley are very much overcrowded traffic density is far to high and trying to cross the roads on foot is very difficult especially for older people these proposals will make it impassidal and we will lose all our beautiful countryside

Yours Sincerely
