Part 3 - Is the Plan sound?

At this stage, before the Plan is sent to the Secretary of State for Public Examination, we are asking for your views about the 'soundness' of the plan. An independent Inspector will examine the plan against the 'tests of soundness' (Please read the guidance notes on how to complete this section)

3.1. Do you consider the plan to be sound?

- Yes (go to Q3.3) No (go to Q3.2)

3.2. Which test of soundness are your comments about? (You must select at least one option)

- Positively Prepared Effective
 Justified Consistency with National Policy

3.3. Please set out why you think the Plan is sound / unsound? Your comments should briefly cover all the evidence and supporting information necessary to support or justify your view. It helps us if you can use subheadings to deal with specific issues. Please continue on a separate sheet if you need to. There may not be another opportunity to make further comments before the plan is sent to examination.

① Access to the main road (A66) at the village is via the junction of Breaty Lane ^{OLD LANE} and Moor Rd. This is a dangerous junction and different systems have been tried to ease the problems, unsuccessfully. Adding an estate of 42 houses to use this route whilst worsen the situation there, especially in view of the other planned expansion of the population of the village & given the sports facilities and village hall are on old lane.

② The village has poor local services and facilities eg no post office, no green spaces and the school is full, the cemetery is filling, the Doctors have a long wait for appointments and parking is extremely limited for shops, churches and many activities. The school/health centre car park is a nightmare.

3.4. Please set out what change(s) you consider necessary to make the Plan sound.

You will need to say why this change will make the Plan. It helps us if you can be precise as possible and providing any suggested revised wording. Please continue on a separate sheet if you need to.

① Traffic lights at the junction of Conyng mirror on corner of Fox & Hounds car park, to give a view along Moor Road, if approaching from Breaty Lane. A sign of "Access only" at the bottom of Breaty Lane - junction of A66 road, to limit the car park in rush hours.

If nothing can be done at that junction the site should not be allocated at all.

② Maybe school parking could be moved to the area in the back of the site next where the caretaker's house was. - via Breaty Lane.
