Dear Mr Feeney,

Leeds Local Development Framework
Site Allocations Plan

I am enclosing (each on a separate sheet, for ease of reference) objections under the following headings:

- Housing site HG2-168
- Housing Site HG2-169
- Housing Site HG2-170
- Housing Site HG2-171
- Green Belt Review - timing and methodology
- Infrastructure - failure to make link between development & infrastructure

In addition, I have a query, please. No doubt landowners and developers will have been making representations seeking the allocation of sites not included by the Council. What procedures will be in place to draw these to the attention of local residents who may be affected by them? And will there be any opportunity to make counter-representations, or to support the Council in any other way?

Yours sincerely,

Michael Green

David Feeney,
Head of Forward Planning and Implementation,
Leeds City Council,
The Leonardo Building,
2 Rossington Street,
Leeds. LS2 8HD.
