Comments for Section 3.3 (HG2-180 Fleet Lane/ Methley Lane)

Greenbelt

This site is within the Greenbelt and does not meet the criteria for exceptional circumstances for Green Belt release as outlined in the NPPF and the Core Strategy. There are no strong boundary lines around the proposed development, so leaving an 'invitation ' for further development in the future.

Conservation/Heritage

The area includes a Special Landscape Area (only 18 across the city) and this would be ruined by this proposed development. Part of the proposed development also includes a 'ridge & furrow' area, & this ancient form of farming would be destroyed. The views from the Leeds country way would be urban sprawl rather than rural.

Unsustainable

The proposed site is large, & the existing infrastructure is not available to support a development of this size.

The road system already clogs up at peak times.

There are no buses to Rothwell & the distance to Woodlesford train station does not meet Leeds Core Strategy Accessibility Criteria. In addition, there is no spare parking capacity at Woodlesford station.
