Dear Sir/Madam

I am writing to object to the proposed Building Sites on Green Belt land in Horsforth and Rawdon namely:-

HG2-41 Fields south of A65

Horsforth Roundabout to Crem.

HG2-43 Horsforth College Campus

HG2-12 Woodlands Dr. Rawdon

HG3-2 HG3-3, HG3-4 fields

of A65 Rawdon.

The proposal to include these green belt sites in the local plan is NOT consistent with national policy.

The proposal to use Green Belt before Brownfield is NOT justified.

The proposal to use this Strategic Green infrastructure goes against the Leeds Core Strategy.

All these areas are very important to myself and my family. Having lived in Worsworth for 45 yrs it has already changed enough and is far bigger and busier than it was ever intended. After all we are a VILLAGE!

All the family including children and grandchildren enjoy walking and

cycling and enjoying  
the outdoors which  
we are continually been  
encouraged to do

We strongly ask you  
to THINK AGAIN PLEASE!

yours faithfully
